## Boynton 100th anniversary

Our lodge was chartered on January 18, 1917 and Boynton Lodge will be celebrating our 100th anniversary in 2017. This will be an important milestone for us. To think what the Boynton Lodge has endured through one hundred years, survived depressions, recessions, wars and everything else that could challenge us. The fact that Boynton Lodge has remained strong and energetic is quite impressive. After 100 years we have a great facility and a strong brotherhood, all of which we should be very proud and should celebrate.

A few weeks ago a committee was formed to plan the 100th anniversary celebration. The main goal of this committee is to develop a thorough plan for the 100th celebration. When we have the plan developed, we will present it before the Lodge Officers and Craft for their approval and vote.

While the committee stands at seven members, it is important that all members should have the right to voice their opinions, thoughts and ideas of what should be involved in the celebration. People, not necessarily committee members, are welcomed and encouraged to participate. It will take the efforts of all to make this the best ever 100th anniversary celebration. All I ask is that the opinions, thoughts or ideas to be expressed be either written or emailed to me so I can best communicate them to others. My email is:

[gardner01@gmail.com](mailto:gardner01@gmail.com).

A celebration a couple of years away may seem like plenty of time to plan, but it really is not. For any success there needs to be ample attention to detail. We need to determine what 100 years of Boynton Lodge means to us and how best to celebrate all the efforts of those who made it possible.

So, what does 100 years of Boynton Lodge No. 236 mean to you?
