

Brethren

January 11th we celebrated the 90th birthday of our Lodge. RW Richard Philpott gave an very interesting history of the Lodge from its inception with RW Charlie Mead and WB Everett Tarter telling more interesting highlights from their own recollection. EA's Brian Work and Bob Kenny performed their EA Proficiency exemplary. Kudos to them and their instructor, Bro. Barry Kimmelstein. We also balloted to accept WB Frank Rocanello and Bro. Don Peppercorn as plural and dual members respectively. Welcome aboard Brothers!

January 25th the Fellowcraft Degree was given for Bros. Work and Kenny. Michael Floering in the East and his degree team did a beautiful job and as usual WB Bob Mandell gave his wonderful lecture. It looks like our Lodge will be growing in leaps and bounds this year. Between the two meetings, we had the first reading of 33 applications for affiliation.

Our Committees are hard at work:

The Calling Committees for the Lodge of Sorrow has put together a list of members that they will notify in the event that one of our Brothers passes on to Celestial Lodge. If they call you, please make every effort to attend the funeral. I know that if our family requests a Masonic funeral when we go, we would want a good representation at the service.

The Scholarship Committee has just about completed their forms to have our local high school students fill out so that we can give our first scholarship in many years.

The Education and Primary Schools Committee has drafted a questionnaire so that we can honor at least one of the local elementary school teachers for their excellence and dedication to helping our young children in the community.

Our first meeting in February will be Honors night to pay recognition to several Brothers for their many years of service to the Craft. Those that will be honored have been notified. Please make every effort to be there to honor them. Additionally, two of our Brothers were honored at the recent New York Masons luncheon.

Thanks for all the participation and volunteering that everyone so graciously has done. With all this help, it's bound to be a great year.

Fraternally
Wayne A. Hansen, WM
